The Futurist Manifesto Filippo Tommaso Marinetti - Society ...

But we shall not be there They will find us at last one winter's night in the depths of the country in a sad hangar echoing with the notes of the monotonous rain, crouched near our trembling aeroplanes, warming our hands at the wretched fire which our books of today will make when they flame gaily beneath the glittering flight of their pictures

MAIN IDEAS - Miami Dade College

There are bears, mountain lions, and coyotes To the east there are streams full of trout, and there are ducks and geese (The author begins and ends with examples The main idea is stated in the second sentence) hunts at night and is particularly destructive to sheep, young pigs, and poultry Yet it is sometimes wise to encourage coyotes
